Subject: Approval of Acreage Reduction Amendment, Jon Young, Torrey Buff Quarry, S0550012, Wayne County, Utah

Dear Mr. Young:

On October 20, 2008, the Division received your proposal to decrease the disturbed area acreage for the Torrey Buff quarry from "less than 5 acres" to two acres. The Division finds the amendment complete. A copy of the amendment, stamped approved, is enclosed with this letter.

Because the reclamation surety amount has been changed, we need a modification to the reclamation contract. Please sign and date the enclosed modification document, make a copy for your records, and return the original to the Division within the next 30 days.

Thank you for your cooperation to help finalize this permitting action. In reply, please refer to file number S0550012.

Sincerely,

Paul B. Baker
Minerals Program Manager
